ADOPTION RESOLUTION TEMPLATE

RESOLUTION NUMBER _____

WHEREAS, the Federal Disaster Mitigation Act of 2000 was signed in to law on October 30, 2000, placing new emphasis on state and local mitigation planning for natural hazards and requiring communities to adopt a hazard mitigation action plan to be eligible for pre-disaster and post-disaster federal funding for mitigation purposes; and

WHEREAS, a Hazard Mitigation Plan was prepared by the _____, with assistance from JEO Consulting Group, Inc. of Lincoln, NE.

WHEREAS, the purpose of the mitigation plan was to lessen the effects of disasters by increasing the disaster resistance of the _____by identifying the hazards that affect _____and prioritize mitigation strategies to reduce potential loss of life and property damage from those hazards, and

WHEREAS, FEMA regulations require documentation that the plan has been formally adopted by the governing body of _____in the form of a resolution and further requesting approval of the plan at the Federal Level; and

NOW, THEREFORE, the governing body of _____ does herewith adopt the Upper Loup Natural Resources District Hazard Mitigation Plan Update in its entirety; and

PASSED AND APPROVED this ___ day of _____, 2019.

_____
President of Council

ATTEST:

_____
Clerk

KICK-OFF MEETING INVITATION LETTER

Upper Loop
Natural Resources District

September 27, 2018

Dear Hazard Mitigation Planning Participant:

The Upper Loop Natural Resources District (NRD) has secured grant funding from the Federal Emergency Management Agency (FEMA) to update their regional Hazard Mitigation Plan (HMP) with the assistance of JEO Consulting Group. HMPs identify vulnerabilities and possible impacts and losses within participating jurisdictions to various natural and man-made hazards (e.g., flood, drought, wildfire, winter storm, terrorism, urban fire, transportation incidents, etc.). The HMP also identifies projects and strategies aimed at enhancing community resilience and preparedness for specific hazards.

You are invited to the Upper Loup NRD HMP Kick-off meeting to discuss your role in the plan update. Meeting details are below:

HMP Plan Kick-off Meeting
Tuesday, October 30, 2018 at 1:00 PM
Upper Loup NRD
39252 NE Hwy 2
Thedford, NE 69166

For more information or questions, please contact Brooke Welsh, JEO Project Coordinator, at (402) 474-8741 or by email at bwelsh@jeo.com or Anna Baum, ULNRD General Manager, at (308) 645-2250 or by email at abaum@upperloupnrd.org. **We are looking forward to seeing you at the Kick-off meeting!**

Sincerely,

Brooke Welsh, Project Coordinator

RE: Upper Loup Natural Resources District Multi-jurisdictional Hazard Mitigation Plan (HMP) Update

To Whom It May Concern:

This letter is being sent to inform your jurisdiction of a planning effort underway by the Upper Loup NRD to update the regional Multi-Jurisdictional Hazard Mitigation Plan (HMP) with assistance from JEO Consulting Group. FEMA requires that neighboring communities be notified of this planning effort and are encouraged to attend the public informational meetings.

A HMP is a community-guided document that identifies both vulnerability to natural hazards and mitigation measures to reduce or eliminate this vulnerability. Communities that participate in the development of the HMP become eligible to apply for FEMA hazard mitigation grants.

Neighboring Jurisdictions are encouraged to provide input to the planning process or attend meetings to ensure identified mitigation efforts are regionally appropriate and consistent with those identified within other communities in the region.

If you would like more information about this planning effort, please contact Brooke Welsh, Project Coordinator, at (402)474-8741 or bwelsh@jeo.com, or Anna Baum at (308)645-2250 or by email at abaum@upperloupnrd.org. For updates and information on this planning effort, please visit: https://jeo.com/upper-loup-natural-resources-district-hazard-mitigation-plan-update.

Sincerely,

Brooke Welsh
JEO Consulting Group, Inc.

LETTER TO PARTICIPANTS

Protecting Lives, Protecting Property, Protecting the Future

Upper Loup
Natural Resources District
39252 Highway 2 Thedford, NE 69166
Phone 308-645-2250 Fax 308-645-2308
www.upperloupnrd.org
ulnrd@upperloupnrd.org

January 18, 2019

To Whom It May Concern:

It is time to evaluate, amend and renew the Hazard Mitigation Plan (HMP), approved by FEMA, that was put into place almost five years ago. If you do not currently have an HMP you now have an opportunity to become a participant in this renewal period. As reminder the Hazard Mitigation Plan is a community-guided document that identifies both vulnerability to natural hazards, and mitigation measures to reduce or eliminate this vulnerability. Hazard mitigation plans are a requirement of the Disaster Mitigation Act of 2000, administered by the Federal Emergency Management Agency (FEMA), and once a community, or county is part of a plan they become eligible for up to a 75% cost share for a wide variety of projects listed in the plan.

The Upper Loup NRD has hired and is working with consultants from JEO to assist in the review, updates, data gathering, plan writing, etc. This is a service the NRD is providing to all the participating communities at NO cost. All we ask from you is a small amount of your time to attend information gathering meetings where you can provide your input in regards to local potential hazards and potential mitigation projects.

Sincerely,

Anna Baum

Anna Baum
General Manager, Upper Loup NRD

ulnrd@upperloupnrd.org

December 12, 2018

Dear Hazard Mitigation Planning Participant:

The Upper Loup Natural Resources District (NRD) has secured grant funding from the Federal Emergency Management Agency (FEMA) and is in the process of updating the Hazard Mitigation Plan (HMP). **You are receiving this letter because your jurisdiction is eligible and encouraged to participate in this planning effort.**

HMPs identify vulnerabilities and possible impacts and losses within participating jurisdictions to various natural and man-made hazards (e.g., flood, drought, wildfire, chemical transportation, dam failures, etc.). The HMP also identifies projects and strategies aimed at enhancing community resilience and preparedness for specific hazards.

Your community participated in the development of the 2015 Upper Loup NRD Multi-Jurisdictional Hazard Mitigation Plan. As required by the Disaster Mitigation Act of 2000, HMPs must be updated and approved by FEMA every five (5) years. Generally, the update and approval process requires a 12-month to 18-month period.

FEMA requires at least one 'designated representative' from your jurisdiction to participate in the planning process in order for you to be recognized as a participating jurisdiction. This is the first of two meetings you will attend, with the second meeting in late summer to early fall of 2019. Each meeting will last 1.5 – 2 hours. Please attend one of the upcoming meetings shown below:

- Mullen: Tuesday, January 15th, at 6:00 PM Mountain Time at the Village Office, 111 NW 1st St, Mullen NE 69152
- Thedford: Wednesday, January 16th, at 9:00 AM Central Time at the ULNRD Office, 39252 NE-2, Thedford NE 69166
- Stapleton: Wednesday, January 16th, at 3:00 PM Central Time at the Logan County Courthouse, 317 Main St, Stapleton NE 69163

One-on-one meetings with JEO staff are also available. If you are able to schedule a one-on-one meeting with JEO staff, you are not required to attend one of the public meetings.

If you would like more information about this planning effort, RSVP to a meeting, or schedule a one-on-one meeting, please contact Brooke Welsh, Project Coordinator, at (402)474-8741. For updates and information on this planning effort, please visit https://jeo.com/ulnrdhmp. **We are looking forward to seeing you at one of the meetings!**

Sincerely,

Brooke Welsh
JEO Consulting Group, Inc.

ROUND 1 MEETING INVITATION LETTER TO STAKEHOLDERS

Protecting Lives, Protecting Property, Protecting the Future

Upper Loup
Natural Resources District
39252 Highway 2 Thedford, NE 69166
Phone 308-645-2250 Fax 308-645-2308
www.upperloupnrd.org
ulnrd@upperloupnrd.org

December 12, 2018

To whom it may concern:

The Upper Loup Natural Resources District (NRD) has secured grant funding from the Federal Emergency Management Agency (FEMA) and is in the process of updating their Hazard Mitigation Plan (HMP). **You are receiving this letter because you can provide information or data which can benefit your community's hazard mitigation planning effort.**

A hazard mitigation plan identifies the vulnerability of a jurisdiction to various natural and manmade hazards (flood, drought, wildfire, dam failures, etc.) and assesses the potential losses associated with each hazard. In addition, the plan identifies mitigation alternatives to decrease the threat from identified hazards and establishes a prioritized list of potential mitigation projects. Stakeholder groups like yours are encouraged to be involved in the process to present data and information that might be helpful, as well as to work with participating jurisdictions to ensure the needs and concerns of your groups and the citizens you work with are represented in this process. We have found that community and stakeholder groups are a good way to engage the public who may otherwise not opt not to be involved in the planning process.

The following public meetings have been scheduled to begin obtaining information for the update. We highly encourage you to participate in this project and attend one of the following meetings. The meetings will last 1.5 to 2 hours and will be held at the following locations:

- Mullen: Tuesday, January 15th, at 6:00 PM Mountain Time at the Village Office, 111 NW 1st St, Mullen NE 69152
- Thedford: Wednesday, January 16th, at 9:00 AM Central Time at the ULNRD Office, 39252 NE-2, Thedford NE 69166
- Stapleton: Wednesday, January 16th, at 3:00 PM Central Time at the Logan County Courthouse, 317 Main St, Stapleton NE 69163

If you would like more information about this planning effort, please contact Brooke Welsh, Project Coordinator, at 402.474.8741 or bwelsh@jeo.com, or Anna Baum, ULNRD Manager at 308.645.2250 or abaum@upperloupnrd.org. For updates and information on this planning effort, please visit: https://jeo.com/ulnrdhmp. **We are looking forward to seeing you at one of the meetings!**

Sincerely,

Brooke Welsh
JEO Consulting Group, Inc.

Protecting Lives, Protecting Property, Protecting the Future

January 2, 2019

Dear Hazard Mitigation Planning Participant:

The Upper Loup Natural Resources District (NRD) has secured grant funding from the Federal Emergency Management Agency (FEMA) and is in the process of updating the Hazard Mitigation Plan (HMP). **You are receiving this letter because your jurisdiction is eligible and encouraged to participate in this planning effort.**

HMPs identify vulnerabilities and possible impacts and losses within your jurisdiction to various natural and man-made hazards (e.g., flood, drought, wildfire, chemical transportation, dam failures, etc.). The HMP also identifies projects and strategies aimed at enhancing community resilience and preparedness for specific hazards.

A one-on-one meeting with JEO staff has been scheduled to assist your jurisdiction in participating in this planning process. **FEMA requires designated representatives from your jurisdiction to participate in the planning process in order for you to be recognized as a participating jurisdiction.** This is the first of two meetings you will attend, with the second meeting in late summer to early fall of 2019. Each meeting will last 1.5 – 2 hours.

Thursday, January 17th
10:00am Mountain Time
Grant County Courthouse – Commissioners Office
105 E Harrison St
Hyannis NE, 69350

You must attend this meeting to be an eligible participant in this plan update. By participating in the plan, Grant County will identify vulnerabilities and capabilities, as well as become eligible for FEMA grant funding in the case of a disaster. If you would like more information about this planning effort please contact Brooke Welsh, Project Coordinator, at (402)474-8741. For updates and information on this planning effort, please visit https://jeo.com/ulnrdhmp. I am looking forward to seeing you at this meeting!

Sincerely,

Brooke Welsh

March 18, 2019

Dear Hazard Mitigation Planning Participant:

The Upper Loup Natural Resources District (NRD) is moving forward with the second phase of updating the multi-jurisdictional Hazard Mitigation Plan (HMP). **You are receiving this letter because your jurisdiction's attendance is required in order to continue participation in this planning effort.** The intent of these meetings is to gather and review vital information including identifying new mitigation alternatives, discussing community capabilities, and review of previously collected data.

Your community participated in the development of the 2015 Upper Loup NRD Multi-Jurisdictional Hazard Mitigation Plan. As required by the Disaster Mitigation Act of 2000, HMPs must be updated and approved by FEMA every five (5) years. Generally, the update and approval process requires a 12-month to 18-month period.

FEMA requires at least one 'designated representative' from your jurisdiction to participate in the planning process. **This is the second and last meeting you are required to attend.** Each meeting will last 1.5 – 2 hours. Please attend one of the upcoming meetings shown below:

- Mullen: Tuesday, April 23rd, at 6:00 PM Mountain Time at the Village Office, 111 NW 1st St, Mullen NE 69152
- Thedford: Wednesday, April 24th, at 9:00 AM Central Time at the ULNRD Office, 39252 NE-2, Thedford NE 69166
- Stapleton: Wednesday, April 24th, at 6:00 PM Central Time at the Logan County Courthouse, 317 Main St, Stapleton NE 69163

One-on-one meetings with JEO staff are also available. If you are able to schedule a one-on-one meeting with JEO staff, you are not required to attend one of the public meetings.

If you would like more information about this planning effort, RSVP to a meeting, or schedule a one-on-one meeting, please contact Brooke Welsh, Project Coordinator, at (402)474-8741. RE: Upper Loup Natural Resources District Multi-jurisdictional Hazard Mitigation Plan (HMP) Update

To Whom It May Concern:

This letter is being sent to inform you that the current draft of the Upper Loup NRD Hazard Mitigation Plan is now available for Public Review online. This draft includes the latest revisions that were discussed at the second round of meetings.

You may review the draft at the project website: https://jeo.com/ulnrdhmp.

The draft will now be made available for a 30-day public comment period, which lasts from **Monday, July 29th to Friday, August 30th, 2019**. At the end of this period, the complete multi-jurisdictional plan will be submitted to the Nebraska Emergency Management Agency and the Federal Emergency Management Agency (FEMA) for final approval.

This is your last opportunity to review the plan and submit to JEO any requested changes or corrections, prior to its submission to NEMA and FEMA.

Please carefully review this draft with your local planning team and verify that the information therein is accurate to the best of your knowledge. Please inform JEO as soon as possible should you desire any changes. To request changes, you can markup the section, scan it, and email it to bwelsh@jeo.com; fax it to the number provided below; or mail your revisions to our Lincoln office. If we do not receive changes from you by Friday, August 30th, we will assume that your jurisdiction has reviewed this section and approves of it as written.

Thank you for helping us provide your community with an accurate and comprehensive hazard mitigation plan. If you would like more information about this planning effort, please contact Brooke Welsh, JEO Project Coordinator, at (402) 474-8741 or bwelsh@jeo.com or Anna Baum at (308) 645-2250 or by email at abaum@upperloupnrd.org.

PROJECT FLYER

Upper Loup Natural Resources District Hazard Mitigation Plan Update

The Upper Loup NRD is leading the planning effort to update their 2015 Hazard Mitigation Plan. Residents and entities across the planning area are encouraged to participate.

WHAT IS A HAZARD MITIGATION PLAN?

{Hazard Mitigation Plan = HMP}

HAZARDS
pose risk to people, property, the environment, and the economy.

MITIGATION
is any action that reduces risk.

A **Hazard Mitigation Plan** is a community-driven, living document that assesses vulnerability to natural and man-made hazards and identifies mitigation measures to reduce the vulnerability.

WHY SHOULD YOUR COMMUNITY PARTICIPATE IN THE PLAN?

- Gain eligibility for FEMA mitigation grant programs.
- Identifies strategies to reduce your community's risk to hazards and disasters such as: tornadoes, severe winter storms, flooding, dam failure, agricultural diseases, wildfire, and thunderstorms.
- Build relationships within your community and region that foster resilience across a larger geographic area.

WHAT TYPES OF MITIGATION PROJECTS ARE IN A HMP?

The types of projects are dependent on the needs of the individual community.

Some of the common mitigation projects included in HMPs:

- Backup power generators
- Storm shelters
- Stormwater projects
- Elevation or acquisition of flood-prone structures
- Weather radios
- Public awareness programs
