KICKOFF MEETING INVITATION LETTER

June 14, 2019

RE: Lower Platte North Natural Resources District
Multi-Jurisdictional Hazard Mitigation Plan Update Kick-off Meeting

Dear Planning Team Member:

The Lower Platte North Natural Resources District (NRD) has secured grant funding from the Federal Emergency Management Agency (FEMA) to update their regional Hazard Mitigation Plan (HMP) with the assistance of JEO Consulting Group. HMPs identify vulnerabilities and possible impacts and losses within participating jurisdictions to various natural and man-made hazards (e.g., flood, drought, winter storm, levee failure, chemical spill, etc.). The HMP also identifies projects and strategies aimed at enhancing community resilience and preparedness for specific hazards.

An organizational kick-off meeting for the project advisory committee has been scheduled for:

Tuesday, July 2, 2019 at 10:00 AM
Lower Platte North NRD
511 Commercial Park Rd
Wahoo, NE 68066

The intent of this meeting is to meet with JEO and NRD staff to discuss the following:

- 1) Intent and purpose of hazard mitigation planning
- 2) Roles and responsibilities
- 3) General project schedule
- 4) Schedule first round of public meetings
- 5) Question and answer

For more information or questions, please contact me at (402)392-9915 or by email at rappleford@jeo.com or Tom Mountford, NRD Assistant Manager, at (402)443-4675 or by email at tmountford@lpnnrd.org. **We are looking forward to seeing you at the Kick-off meeting!**

RE: Lower Platte North Natural Resources District (LPNNRD)
Hazard Mitigation Plan Update Announcement

Dear Hazard Mitigation Planning Participant,

LPNNRD has secured grant funding from the Federal Emergency Management Agency (FEMA) to update the 2015 Multi-jurisdictional Hazard Mitigation Plan (HMP). HMPs are a requirement of the Disaster Mitigation Act of 2000, administered by FEMA. Communities, counties, and districts are only eligible for FEMA Hazard Mitigation Assistance grant funding if they are part of an approved plan. This funding provides a 75% cost share for a variety of projects listed in the plan. **You are receiving this letter because your jurisdiction is eligible to participate in this planning effort. You MUST participate in this planning effort to be eligible for these FEMA Hazard Mitigation Assistance grants.**

HMPs are required to be updated on a five-year cycle, and LPNNRD's HMP will expire in July 2020. An HMP is a community-guided document that identifies vulnerability to disasters such as flood, drought, and chemical spills. The plan sets goals, establishes mitigation alternatives, and prioritizes projects which may lessen the extent of future disasters. For every \$1 spent on hazard mitigation, \$6 in post-disaster cleanup and rebuilding is saved, according to a 2018 study conducted by the National Institute of Building Sciences. Public input will be gathered throughout the duration of plan development through public meetings and online tools. All incorporated communities, counties, school districts, sanitary improvement districts, levee/drainage districts, and other taxing authorities within LPNNRD and Butler County are eligible to participate.

The first round of public planning meetings will be held in:

- **Wahoo:** Thursday, September 19th, 7:00 pm at the Lower Platte North NRD, 511 Commercial Park Road, Wahoo, NE 68066
- **David City:** Tuesday, September 24th, 7:00 pm at the David City Public Library, 399 5th Street, David City, NE 68632

LPNNRD hired JEO Consulting Group, Inc. (JEO) to assist with plan development over the next 12 months. This HMP update is funded by a FEMA grant; the cost is shared 75% through federal funding and 25% through a local match provided by LPNNRD.

Please provide us with a point of contact and their email for future updates. Submit contact information to Becky Appleford, JEO Planner, at rappleford@jeo.com. For more information, you can visit the project website at <https://jeo.com/lpnrd-hmp> or contact me at (402) 443-4675.

RE: Lower Platte North Natural Resources District (LPNNRD)
Hazard Mitigation Plan (HMP) Update Announcement

Dear Hazard Mitigation Plan Neighboring Jurisdiction:

This letter is being sent to inform your jurisdiction that LPNNRD is updating their regional Hazard Mitigation HMP with assistance from JEO Consulting Group. The Federal Emergency Management Agency (FEMA) requires that neighboring jurisdictions are notified of this planning effort.

An HMP is a community-guided document that identifies both vulnerabilities to hazards and mitigation measures to reduce or eliminate this vulnerability. Communities that participate in the development of the HMP become eligible to apply for FEMA hazard mitigation grants. As a neighboring jurisdiction, you are encouraged to provide input to the planning process by attending meetings to ensure identified mitigation efforts are regionally appropriate and consistent with those identified within other communities in the region.

The first round of planning meetings will be held in:

- Wahoo: Thursday, September 19th, 7:00 pm at the Lower Platte North NRD Headquarters, 511 Commercial Park Road, Wahoo, NE 68066
- David City: Tuesday, September 24th, 7:00 pm at the David City Public Library, 399 5th Street, David City, NE 68632

RE: Lower Platte North Natural Resources District (LPNDRD)
Hazard Mitigation Plan Update Round One Public Meeting

Dear Hazard Mitigation Planning Participant,

LPNDRD is beginning the first phase of the Hazard Mitigation Plan update. Your jurisdiction is required to attend a meeting in order to participate in the plan. Once a community, county, or district is part of an approved plan, they become eligible for up to a 75% cost share from the Federal Emergency Management Agency (FEMA) for a variety of projects listed in the plan. **New FEMA directives state that you must participate directly in the plan to be eligible for this funding.** The plan examines regional and local vulnerabilities to a range of hazards (i.e. flooding, severe winter storms, drought, chemical spills, etc.) and identifies strategies and projects to reduce their impact.

The plan update and approval process will last 12 to 18-months and will include two rounds of public planning meetings. Unlike the previous Hazard Mitigation Plan update, the County is no longer allowed to sponsor communities and attend meetings in their place. **FEMA requires at least one representative from your jurisdiction to attend planning meetings.** Please attend one of the upcoming meetings shown below. Each meeting will last 1.5 to 2 hours.

The first round of planning meetings will be held in:

- **Wahoo:** Thursday, **September 19th, 7:00 pm** at the Lower Platte North NRD Headquarters, 511 Commercial Park Road, Wahoo, NE 68066
- **David City:** Tuesday, **September 24th, 7:00 pm** at the David City Public Library, 399 5th Street, David City, NE 68632

One-on-one meetings with JEO staff are available if you are unable to attend a public meeting.

To RSVP to a meeting or set up a one-on-one meeting, contact Becky Appleford, Project Coordinator, at (402) 392-9915 or rappleford@jeo.com. For more information, you can visit the project website at <https://jeo.com/lpnrd-hmp> or contact me at (402) 443-4675.

RE: Lower Platte North Natural Resources District
Hazard Mitigation Plan Update Meeting Invitation

Dear Hazard Mitigation Planning Participant,

The Lower Platte North Natural Resources District (LPNDR) is moving forward with the second phase of updating its multi-jurisdictional Hazard Mitigation Plan (HMP). **You are receiving this letter because your jurisdiction's attendance is required in order to continue participation in this planning effort.**

HMPs identify vulnerabilities, and possible impacts and losses within participating jurisdictions to various natural and man-made hazards including, but not limited to: flood, drought, wildfire, winter storm, terrorism, and dam failure. The HMP also identifies projects and strategies aimed at enhancing community resilience and preparedness for specific hazards. The intent of these meetings is to gather and review vital information including identifying new mitigation alternatives, discussing community capabilities, and review of previously collected data.

FEMA requires at least one designated representative from your jurisdiction to participate in the planning process in order for you to be recognized as a participating jurisdiction. Please attend one of the upcoming meetings shown below. Each meeting will last 1.5 – 2 hours and this is the second and last meeting you are required to attend.

- **David City:** Tuesday, February 11 at 6:30 PM, at the David City Public Library, 399 5th Street, David City, NE 68632
- **Wahoo:** Thursday, February 13 at 6:30 PM, at the Education Building on the east side of Lake Wanahee, Wahoo, NE, 68066

One-on-one meetings with JEO staff are also available. If you are able to schedule a one-on-one meeting with JEO staff, you are not required to attend one of the public meetings.

To RSVP to a meeting or set up a one-on-one meeting, contact Karl Dietrich, at (402) 742-7213 or kdietrich@jeo.com. For updates and information on this planning effort, please visit: <https://jeo.com/lpsnrdhmp>. **We are looking forward to seeing you at one of the meetings!**

LETTER OF PUBLIC REVIEW NOTIFICATION

April 2, 2020

RE: Lower Platte North Natural Resources District Multi-Jurisdictional Hazard Mitigation Plan (HMP) Update

To Whom It May Concern:

This letter is being sent to inform you that the current draft of the Lower Platte North NRD Hazard Mitigation Plan is now available for Public Review online. This draft includes the latest revisions that were discussed at the second round of meetings.

You may review the draft at the project website: <https://jeo.com/lpnrd-hmp>.

The draft is available for a public comment period between **Monday, April 6 to Monday, May 4, 2020**. At the end of this period, the complete multi-jurisdictional plan will be submitted to the Nebraska Emergency Management Agency (NEMA) and the Federal Emergency Management Agency (FEMA) for final approval.

This is your last opportunity to review the plan and submit to JEO any requested changes or corrections, prior to its submission to NEMA and FEMA.

Please carefully review this draft with your local planning team and verify that the information therein is accurate to the best of your knowledge. Please inform JEO as soon as possible should you desire any changes. To request changes, you can markup the section, scan it, and email it to kdietrich@jeo.com; fax it to (402) 435-4110; or mail your revisions to our Lincoln office (address below), Attn: Karl Dietrich.

If JEO does not receive changes from you by Monday, May 4th, we will assume that your jurisdiction has reviewed this section and approves of it as written.

Thank you for helping us provide your community with an accurate and comprehensive hazard mitigation plan. If you would like more information about this planning effort, please contact me at (402) 392-9915 or rappleford@jeo.com.

Sincerely,

PROJECT FLYER

2020 Lower Platte North NRD Hazard Mitigation Plan Update

The Lower Platte North NRD is leading the planning effort to update its 2015 Hazard Mitigation Plan, or HMP. Residents and entities across the planning area are encouraged to participate.

Hazards pose **risk** to people, property, the environment, and the economy.

These include but are not limited to: tornadoes, wildfire, severe winter storms, flooding, dam failure, and agricultural disease.

Mitigation is any action that reduces **risk**.

These actions depend on the needs of individual participants, but common projects include backup generators, storm shelters, alert sirens, and education or public awareness programs.

A **Hazard Mitigation Plan**

is a community-driven, living document that **assesses vulnerability** to natural and man-made hazards and **identifies mitigation strategies** to reduce vulnerability.

Why Your Community Should Participate in the Plan:

- » To gain eligibility for FEMA mitigation grant programs
- » To identify strategies to reduce your community's risk to hazards and disasters
- » To build relationships within your community and region that foster resilience across a larger geographic area

Find out how YOU can be involved by checking the project website!
